## Assessments:

We're dedicated to quality, high standards and helping you achieve success in teaching.

The MILA 1 qualification reflects integrity, confidence and expertise. It's a highly sought after certification that will help you stand out as teacher and accelerate your career.

As a result, successfully completing this course isn't easy - but we will support and guide you every step of the way.

You'll undergo a variety of challenging but rewarding tasks to accelerate your teaching skills including daily written tests, completion of a manuscript and a cursive notebook, demonstration of knowledge of phonograms both written and oral, demonstration of ability to teach phonemic awareness as a modelled, coached and then scaffolded lesson, mastery of manuscript and cursive fonts, mastery of the marking system and spelling rules, modelling of a demonstration lesson.

Once completed, you'll have gained one of the most respected literacy teaching qualifications in the world.

## What You Will Get

- An Internationally Recognised Training Certificate
- Accredited hours toward Education Department Professional Development Requirements/ Continuing Professional Development (CPD) points
- Access to our exclusive Spalding Community Facebook Group - where you are able to consult our experts, share ideas and network with like-minded professionals.
